

JUNIOR LEAGUE OF MARTIN COUNTY INC.®

Women building better communities

The Junior League of Martin County (JLMC) would like to say THANK YOU to all of our sponsors, donors, community partners and members for making it possible to have reached the following milestones during our 2012-2013 year! These are just a few of the amazing accomplishments of our League!

- JLMC's Rudolph's Reindeer Dash 5K raised over \$25,000 for our programs with 480 registered participants!
- JLMC members read books about healthy eating habits to over 300 Martin County children and provided each child with a book of their own to take home.
- Our new member class partnered with the Florida Oceanographic Society and EcoArt South Florida for an oyster bed restoration project to help restore our local estuary.
- JLMC hosted a Family Fun Day in Indiantown promoting healthy eating and fitness.
- JLMC partnered with Keep Martin Beautiful to participate in the International Coastal Cleanup.
- JLMC participated in the annual Tykes and Teens Festival of Trees and the March of Dimes' March for Babies.
- JLMC sustainers held monthly book club meetings open to all of our members and their guests.

Without the amazing support of our community, we could not do the great things we do. If you would like information on sponsorship opportunities or membership please visit our website at www.jlmcflorida.com.
